

# Health & hygiene

1

Wash and sanitise your hands & client's hands

2

Check for contraindications

3

Protect client's clothing using a Tidy Towel

4

Ensure all tools are clean and sterilised

5

If you have long hair, ensure it is tied back

6

Remember to take care of your personal hygiene

7

Personal protective equipment (ppe) to be worn

8

No double dipping policy of swizzle sticks and perfecting puffs

9

Aftercare Saviour:  
Choose from Brow Miracle Daily Conditioner or SOS Rescue brow Balm
