NAIL CARE

Bio Sculpture's nail care range promotes healthy nail growth, strengthens weak or brittle nails and enhances the beauty of your nails. Quick and easy to apply, this range is ideal for salon and home use and complements all nail systems. The range offers targeted treatments to address specific nail needs.

MUST HAVE

Vitamin Dose

Rejuvenate, moisturise and nourish all nail types

A combination of vitamins to rejuvenate, moisturise and nourish nails. Infused with ginseng root extract to sustain the keratin structure and cell metabolism of the nail.

Ideal for all nail types

Almond Oil

Rehydrate and condition dry cuticles and surrounding skin

Infused with almond oil and extracts to combat dry nails and cuticles. Contains almond, jojoba, olive and vitamin E oils, to rehydrate nails and keep cuticles and surrounding skin supple.

Ideal for all nail types

*Nut Free

Golden Nail Serum

Moisturising and softening

A glistening hydrating nail serum, infused with a unique combination of various moisturisers and skin softeners. Glowing cuticle care.

Ideal for all nail types

Blackcurrant Cuticle Oil

Antioxidant and anti-ageing

Contains sweet almond, sunflower and blackcurrant seed oils that are antioxidant with softening properties for cuticle protection. A non-greasy oil promoting cell regeneration for a youthful appearance.

Ideal for mature skin

Jasmine Cuticle Oil

Detoxifying and anti-inflammatory

A non-greasy cuticle oil that has anti-inflammatory properties that will calm inflammation, promoting cuticle protection. The sunflower and sweet almond oils promote healthy nail growth and long lasting nourishment.

Ideal for sore sensitive skin

Rosehip Cuticle Oil

Moisturising and rehydrating

A non-greasy cuticle oil that is moisturising and hydrating, providing long lasting nourishment and will smooth rough and dry patches.

Ideal for dry and dehydrated skin

PREPARATION

Cuticle Remover

Soften and remove stubborn overgrown cuticles

Specially designed to soften hard, dry and stubborn cuticles during nail preparation. Enhances the finish and longevity of a nail treatment.

Ideal for all nail types

Kiwi Scrub

Exfoliate and rehydrate dry nails and cuticles

Contains passion fruit seed powder particles that exfoliates and rehydrates dry nails and cuticles. Added vitamin C and E, ginseng root extract, sunflower oil and sweet almond oil to moisturise and hydrate nails.

Ideal for all nail types

Passion Berry Exfoliant

Exfoliate and moisturise dry nails and cuticles

A nail and cuticle scrub containing kukui nut oil filled with antioxidants and softening properties. The vitamin E in the exfoliant is anti-ageing and the ginseng oil will moisturise nails and cuticles.

Ideal for all nail types

BASE TREATMENTS

Volcanic Base

Harden soft nails

Enriched by volcanic stone extract to give strength to soft nails with a shimmer effect. Rich in pistachio oil to help increase nail hardness as well as flexibility.

Ideal for soft nails

Lavender Base

Treat and enrich weak and damaged nails

Contains lavender oil which is moisturising, anti-inflammatory and an antioxidant with a soft, sheer lavender shade. Revitalises and protects the nail.

Ideal for sore, weak and damaged nails

Seaweed Calcium Base

Suppleness to hard, dry, brittle and ridged nails

Algae seaweed extract increases flexibility and suppleness to brittle nails, while leaving a smooth nail surface for ridged nails.

Ideal for hard, dry, brittle and ridged nails

Executive Base

Nail enhancer

A colourless strengthening base coat to reinforce, strengthen and support natural nails.

Ideal for thin and soft nails
