extensions aftercare *advice*

- Do not get lashes wet for the first 24 hours
- Avoid steam, saunas and swimming for the first 48 hours
- Avoid touching, rubbing or introducing foreign bodies or contaminants into the treatment area
- Ensure lashes are not disturbed or manipulated into different positions (e.g. when sleeping, cleansing the face, applying moisturiser or cosmetics)
- Do not perm lashes or use lash curlers
- Do not use waterproof mascara
- Use oil-free make-up remover if mascara is worn

FOR ALL LASH EXTENSIONS

We recommend that lashes are washed daily with Nouveau Lashes Lash & Lid Foaming Cleanser to maintain optimum hygiene. To achieve the maximum results from your Nouveau Lashes treatment, **it is essential that you follow the relevant aftercare advice**. Failure to do so could lead to an adverse reaction (e.g. irritation, swelling, lash damage etc). If redness or irritation does occur, apply a damp cotton wool compress. If symptoms persist consult a GP.
